Olle Lindgren

M.Sc Student - Data Science & AI

Personal Summary

I am a fourth year student at Chalmers, with a B.Sc. in Industrial Engineering & Management and currently pursuing a M.Sc. in Data Science & AI, a programme focused on applying machine learning and other predictive algorithms to real-world problems typically involving large-scale data. I'm looking for internships and M.Sc. thesis opportunities.

Higher Education

Chalmers University of Technology	2016 - 2019
BSc Industrial Engineering & Management	
Chalmers University of Technology	2019 -
MSc Data Science & AI	
National Chiao Tung University	2019
Excange Student, 1 semester	
University of Gothenburg	2019
Introductory Law	

Non-Profit Experience

Chalmers International Taiwan Office	2019 -
IT Responsible	
I currently maintain the website https://cito.chalmers.se/ .	
The Board of the IEM Student Division	2017
IT Responsible	
I Sat on the board of and managed the website and e-mail systems used by the IEM student division. I completely rebuilt the website, https://i-chalmers.se/ .	
The Board of ESTIEM Local Group Gothenburg	2017
PR Responsible	
I took part in arranging events connecting IEM students from Chalmers and abroad and I was also responsible for marketing.	

Work Experience

Allakando	2018
Private Teacher	
I taught two students maths in one-on-one sessions, geared at high school and the swedish SAT (högskoleprovet). They both achieved their goals.	
Volvo Group Trucks Operations / Adecco Bemanning	2018 - 2019
Assembly line worker.	
I worked at the evening shift at the Volvo Tuve truck assembly plant, rotating around 4 stations mounting doors, seats, windscreens and other details on the in- and outside of the truck cabs. I also did kitting.
