Olle Lindgren

M.Sc Student - Data Science & AI

Personal Summary

I am a fourth year student at Chalmers, with a B.Sc. in Industrial Engineering & Management and currently pursuing a M.Sc. in Data Science & AI, a programme focused on applying machine learning and other predictive algorithms to real-world problems typically involving large-scale data. I'm looking for internships and M.Sc. thesis opportunities.

Higher Education

Chalmers University of Technology BSc Industrial Engineering & Management	2016 - 2019
Chalmers University of Technology MSc Data Science & AI	2019 -
National Chiao Tung University Exchange Student, 1 semester	2019
University of Gothenburg Introductory Law	2019

Non-Profit Experience

Chalmers International Taiwan Office IT Responsible	2019 -
I currently maintain the website https://cito.chalmers.se/ .	
The Board of the IEM Student Division IT Responsible	2017
I Sat on the board of and managed the website and e-mail systems used by the IEM student division. I completely rebuilt the website, https://i-chalmers.se/ .	
The Board of ESTIEM Local Group Gothenburg PR Responsible	2017
I took part in arranging events connecting IEM students from Chalmers and abroad and I was also responsible for marketing.	

Work Experience

Allakando Private Teacher	2018
I taught two students maths in one-on-one sessions, geared at high school and the swedish SAT (högskoleprovet). They both achieved their goals.	
Volvo Group Trucks Operations / Adecco Bemanning Assembly line worker.	2018 - 2019
I worked at the evening shift at the Volvo Tuve truck assembly plant, rotating around 4 stations mounting doors, seats, windscreens and other details on the in- and outside of the truck cabs. I also did kitting.
